How Dark Masters Sabotage **YOUR FINANCES WITH CURSES AND NEGATIVE ENERGY ATTACKS AND** **HOW TO GET RID THEM FROM** **YOUR LIFE FOREVER!**

The existence of Satanic Dark Masters is a topic people rarely mention or talk about.

Many claim they don't even exist!

This is far from the truth. When you see celebrities like Christian Bale, Miley Cyrus and Madonna, along with Corey Feldman, McCauley Culkin and many others, openly acknowledge their allegiance to Satan, you realise how ignorant we all are.

See Christian Bale's Golden Globe speech here:

<https://www.vanityfair.com/hollywood/2019/01/golden-globes-2019-christian-bale-speech-satan>

This topic **MUST** be brought into the light.

The elite has deliberately concealed knowledge of these Satanic Dark Masters to hide their corrupt sinister agenda for a New World Order to enslave humanity. They've got plans to control the planet and create a race of slaves ... and unfortunately they're succeeding.

Why? They're succeeding because of the ignorance and foolishness of people as to how they work.

Sadly ... many have fallen into their snare. Much of humanity lives in a delusional fantasy of "no evil" and that all is harmonious and loving in the planet.

They believe the 3D existence is the final "be all and end all" of all things ... they are their "own gods" who account to nobody.

We often see people claiming the world is a perfect place. Yet few bother to consider who really controls the world ... and certainly don't wish to believe it's run by Satanic dark masters and druids.

WHY IS THIS SUBJECT SO "TABOO"?

Simple. Because dark masters like to be well-hidden. They work in secret in the background.

The last thing they desire is for their works to be known, as humanity would be horrified. They'd far prefer you to believe they don't exist. This makes their sinister agenda easy to implement, and by the time humanity works out what's happened, it's too late.

When you think about it logically, it makes perfect sense dark masters control the world ...

Why? Think about it.

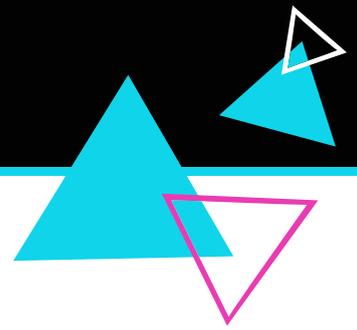

Do you really think if lightworkers and good people ran the world ... there'd be rape, paedophilia, terrorist attacks, whaling, destroying rainforests for profit, fictitious monetary systems, government rights restriction, etc?

Another question you can ask yourself is who's behind the corrupt governments, "Deep State" and other world leaders?

Is it God or Christ ... or could it be Satan or Lucifer?

I'll let you think about that. But to us ... the answer is not only straightforward but logical.

WHY IS THIS SUBJECT SO "TABOO"?

The Evil Reality of What's Going On "Behind the Scenes" ...

Dark masters know exactly how to control and manipulate nearly EVERYONE!

How do they do this? Quite simple ...

They plant negative imprints and seeds into your deeper layers and subconscious mind. They do this through programming and subliminal messages which you see everywhere in your daily life.

Their subliminal programs are found in movies, books, signs, songs, advertising, media, etc.

Not only that but if you're not on your path, they can place negative implants, curses and hexes on you to cause physical, psychological, spiritual and financial damage!

These are just a few examples.

The biggest problem is most of the time ... you're unaware they're doing it to you! This is because most of the time ... the dark masters put negative implants in you while you're sleeping!

How?

While you're sleeping, you're in a brain-state called "Delta". If your energy field is unprotected and open, they can put implants in the deeper layers of your unconscious which they can't reach when you're in a daily fast brain state.

Therefore, you can't consciously detect implants placed in you by higher level dark masters.

Some examples of curses or implants they use to stop people prospering is around health, relationships, finances, etc.

HOW DO I KNOW IF DARK MASTERS ARE AFFECTING ME?

Very simple. You know you've been affected by dark masters if no matter what you do ... it seems like you're always financially struggling, in bad health, in a string of toxic relationships, mental or emotional torture, and much more.

These curses make it difficult to succeed and prosper.

This is why it's CRUCIAL you get yourself cleared of dark master implants, curses and hexes, and after that, do regular clearings.

These dark masters have taken control over MANY people who aren't even aware of it!

More and more celebrities and politicians are encouraging and endorsing the Church of Satan (the anti-Christ or God church controlled and run by dark masters themselves).

Recently, Christian Bale and Miley Cyrus openly credited their success to Satan.

You can read about Christian Bale's Golden Globe speech [here](https://www.vanityfair.com/hollywood/2019/01/golden-globes-2019-christian-bale-speech-satan):

<https://www.vanityfair.com/hollywood/2019/01/golden-globes-2019-christian-bale-speech-satan>

And see Miley Cyrus' reply to reporters who asked her about the secret to her success:

<http://forums.tcm.com/topic/257663-miley-cyrus-says-worship-satan-if-you-want-to-be-rich-and-famous/>

In the past, celebrities such as Madonna, Jay-Z, Beyoncé, Rihanna, Lady Gaga and Tina Turner

BUT WHY WOULD CELEBRITIES WORK FOR SATAN?

The problem is it is easy to get caught up in it. A man or woman eager for success can easily be deceived into working with Satan.

Why? Because Satan and the dark masters can easily disguise themselves as light masters and good people where you'd honestly believe they're from Source.

Let's picture a scenario ...

Imagine you're lying in bed wishing for fame, wealth and success, and doing meditation. All of a sudden, a beautiful angel turns up in front of your eyes (or you sense their presence).

His energy seems pure and his light is glowing. He tells you ... "I am from another planet. I am here to help you. I can guarantee you fame and success and everything your heart desires if you honour and praise me in your work. I am here to do you good."

If you're honest ... most people would find it difficult to refuse this offer.

After a while ... celebrities start to realise what they got themselves into and regret their decision. They see the true darkness their masters operate in.

I won't go into details in how dark they really are. This type of information is so horrible it could drive someone insane ... and I'm not joking.

**Brittney Spears confirms this in a speech.
Read it here:**

<https://killuminatinews.blogspot.com/2019/01/britney-spears-opens-up-about.html>

Last year, Hillary Clinton's daughter, Chelsea, tweeted Satanism is a religion that deserves respect.

For years, this has been going on behind the scenes, but it's now being exposed to the public.

ISN'T THE EXPOSURE OF SATANISM A GOOD THING?

Well ... this recent Satanism exposure has it's pros and cons.

It's good because it brings awareness to the public of what actually goes on with our world "leaders", celebrities and high authority figures.

On the other hand, the problem with the exposure is it's deliberately planned by the dark masters.

Why?

They're deliberately allowing Satan's slaves (the people submitted to him such as celebrities and Satanists on this earth) to expose their religion publicly because they're trying to make it respected and normalized in society.

You may think it won't work. But when you think about it from an unevolved person's point of view ... there's all these celebrities and world leaders who are incredibly wealthy, successful and famous. The people will see they all openly credit their success to Satan.

By nature ... since people desire fame and success ... and young people are easily impressionable ... they'll naturally follow the leaders they admire.

I'm sure by now ... you can see why they don't want good people such as yourself to succeed. They only desire to see people who are slaves to them and follow their dark agendas for a new world order have the riches, wealth and fame others crave for.

ARE "NO GENDER" AND "BIG PHARMA" CONTROLLED BY THE DARK MASTERS?

Yes.

These dark masters are behind the "no gender" community ...

Think about it logically ...

Do you really think having "no gender" and being able to choose your gender promotes good emotional and mental health?

These dark masters are also behind much of the pharmaceutical and health industry.

Health is an area that makes billions of dollars. Do you think pharmaceutical companies just randomly screw up your health with vaccines, drugs, etc? ...

Or could there be dark masters behind it?

If you were evil, with no soul and didn't care for the good of humanity, and saw them only as a race of slaves, would you rather cure someone instantly with only 1 payment, or have them coming back for life and paying a monthly recurring income for decades?

Sadly it's a pretty easy answer.

In fact, here's something that will blow your mind.

Bill Gates refuses to vaccinate his children because he knows the consequences of it.

Wow.

Why? Because he knows it's been statistically proven that vaccinated children are more likely to have illnesses than non-vaccinated children?

And yet ... governments try to force parents to vaccinate their children.

As you can see, these dark masters control the world without anyone knowing!

WHAT ABOUT THE BANKING AND MONETARY SYSTEM?

Yes. The monetary system is controlled by dark masters.

If you think about it, it's pretty obvious.

Our current monetary system is governed by a system called “Fractional Reserve Banking”. Under this system, the banks can print out money whenever they like, backed up by no real value.

This means ALL the money we have is effectively in their hands because they can decide to devalue the money or stop printing it any time they want.

WHAT ABOUT THE GOVERNMENT?

They certainly control the government!

People think they decide the presidents or prime ministers, but the truth is, they're just puppets portrayed to be in control.

The "Shadow Government" and "Deep State" are the people who's in control of the government.

The people involved in the Shadow Government or Deep State directly channel dark masters or entities. In severe cases ... some of them can even be a physical incarnation of dark masters (such as Satan, Lucifer, Pharaoh, etc).

Donald Trump has been saying this in recent times.

David Icke, well known speaker, also speaks about it.

So in summary, in the same way we channel light masters in meditation, it makes logical sense there'd be dark masters who can be channelled through certain rituals.

The list goes on ...

They control the big corporations and organizations such as the media, World Peace Organizations, Educational systems, religions, CIA, FBI, etc.

It's quite sobering when you wake up to the realization of how much Satanists and dark masters impact and influence the world we live in.

HOW THEY CAME ABOUT - BRIEF HISTORY OF DARK MASTERS.

Dark masters have been here since the dawn of planet earth.

There's two major events which formed their descent into evil.

The key dark masters such as Satan, Lucifer, Pharaoh, etc were all originally light masters who worked in the higher heavenly dimensions.

However ... they decided to rebel against "God" or "Source".

Why? Because they didn't like the idea of being part of a collective. In their greed and ego, they believed they deserved a higher authority in the heavenlies.

A rebellion happened. They lost easily. So the Elohim, the Council of Light, and the Brotherhood, who ruled this universe, decided to cast them down to earth and into the lower dimensions.

Unfortunately, since many light workers and pure "god seed" people were under their authority and leadership and looked up to these masters ... they were led astray and caught up in the rebellion and also had to be cast down to earth into the lower dimensions.

And so began the dark masters' "kingdom" on earth.

Unable to get back into the higher realms, the dark masters were furious. So they made it their mission to build their own kingdom. This is what we now dwell in.

To try and redeem the pure race, the Elohim created a new "god seed" and sent them to rule earth.

These two gods were made to multiply and have a generation of gods to eventually take back the planet from the dark masters.

But ... they both were deceived from smartest dark master (in Cabbalah known as "Lilith", the serpent) and because of their corruption, had to be cast into the lower dimensions of the earth.

The problem was intensified due to a second major fall around 1,000 years later.

200 light masters called "the Watchers" responsible for guarding the earthly realms saw the god seed women on earth and considered them beautiful. Their lust became so strong they decided to leave the higher dimensions and go to the lower dimensional earth to have sex with the women.

Once arriving on earth, they each chose women they liked to have children with them.

To say this was a disaster was an understatement.

Because you had high dimensional beings breeding with lower dimensional beings, the DNA was corrupted. This interbreeding led to children with corrupted DNA.

They became known as the “Nephilim”, “Anakites”, or “race of giants.”

The Gods taught women the arts of sorcery, deception, battle, and everything they knew.

Worse than that, the corrupted “giant children” were literally monsters 10-100 feet tall. They began wars, hunted humans for sport, and were cannibals who ate them for supper.

Greek mythology is rife with stories about this age. Giants such as Hercules, Gilgamesh, and monsters such as Medusa, Cerberus, all came from this time.

The earth became corrupted and there was no way of redeeming the planet ...

There was no other choice but to destroy the planet.

Only 8 people survived the destruction of the planet.

If you're interested in reading more about the destruction of the planet and inter-breeding, there are plenty of ancient esoteric writings and gnostic teachings to back this up.

Here's some sources...

- ▶ The Book of Enoch chapters 6 to 10
- ▶ The original King James Bible in Genesis 6
- ▶ “Secret History of the World” by Jonathan Black where it is described as the “Age of the Heroes” where a group of strange beings appeared on the earth, or rose out of the sea, causing the people to be in awe, and follow them.
- ▶ David Icke talks about reptilians and Anakites
- ▶ Sumerian culture which talks about the Annunaki

Once the planet was formed again, it was meant to be a higher dimensional realm ...

Sadly, 1 survivor was from the seed of the Nephilim. So when she gave birth, her children became men who rebelled and wanted to rule over everyone and everything.

And so it begun all over again.

Dark masters have slowly gained more and more control over the earth.

Now, they have full control over the whole world and will soon be fully revealed to the public, as spoken by prophecies.

HOW CAN DARK MASTERS AFFECT MY FINANCES?

Dark masters are very clever in the methods they use to sabotage your finances. This is why hardly anyone realises the true cause behind their financial struggles.

Here's a checklist of the different methods they use ...

➤ Send distractions your way to mess with your energy field ... which in turn takes your attention away from your finances such as ...

- ▶ Women or men
- ▶ Sudden family issues
- ▶ Sexual thoughts
- ▶ And many more

Influenced thoughts/feelings

- ▶ Self-doubt
- ▶ Lack of motivation
- ▶ Self-gain
- ▶ Sexual and distracting thoughts
- ▶ Etc.

➤ False accusations against you from neighbours, co-workers, governments, etc to take your attention away from your path and abundance

➤ Opening up investment opportunities for you which appear good on the surface ... but are are a wealth drainer. These can happen through various financial scams, or other misleading schemes which prey on greed, but ultimately, lead to heartache. This causes the investor to be burnt and lose heart, and work in a job or business they hate.

➤ Taking advantage of your past failures which are still subconsciously affecting you by allowing the karmic loop to repeat.

-
- ▶ Casting curses, hexes and spells on your survival chakra to limit your ability to prosper and live a desirable life
 - ▶ Planting negative imprints, blockages and financial limitations in weak areas of your energy field to sabotage your finances
 - ▶ Influence the thoughts of governments to send tax audits and illegitimate documents your way
 - ▶ Scramble your energy to cloud your mind, instincts and ability to attract wealth
 - ▶ Send people to swindle you and/or your business
 - ▶ Make you do something you don't enjoy or not aligned with your path.

There's plenty more too examples we can give ... but for the sake of your time, we won't.

As you can see ... dark masters can affect your finances in so many different ways.

However ... they can only get in your life if you allow them to and don't resolve the issues which got them there in the first place. You have an opportunity to free yourself from their programs and implants by joining one of our dark master clearing programs.

See at the end for more information on these programs.

CAN YOU SHARE SOME KEYS TO HELP ME SEE IF DARK MASTERS ARE AFFECTING MY LIFE?

Here's a basic checklist:
