

How To ...
Discover Your
Life Purpose
In **5** Steps

THE AWAKENING

1. FIND OUT WHAT YOU LOVE

Notice what you enjoy and love doing - even without getting paid.

What stimulates joy and happiness into your life?

WHAT YOU LOVE TEST:

I'm going to conduct a test to help you discover and realize what you love and enjoy..

Complete the following:

(1) Write 5 things you love to do - even without getting paid

(2) Write 3 quality traits you'd love to express and be remembered for

(3) Write 3 events that brought you the most joy

(4) Write what these feelings and events have in common

By completing this test, you're ready for step 2.

2. MANIFESTATION

Mindset is an important aspect of manifestation.

The thoughts, emotions and vibrations you project create your hologram and dictate your life direction.

The external is merely a manifestation of the internal.

MANIFESTATION TEST:

I'm going to conduct a list of quick tasks for you to do.

Complete the following:

(1) Write how you see your ideal life (without any restrictions)

(2) Write the most important thing in your ideal life

(3) Write positive affirmations/manifestations to practise regularly

By completing these tasks, you're ready for step 3.

3. HEAL THE BLOCKAGES

Healing and restoring your internal blockages are essential to discover your life purpose.

This may be conquering fear, anxiety and despair ...

Or clearing your karma, [j_seals](#) and other negative attachments, etc.

YOUR BLOCKAGES TEST:

I'm going to ask you 3 questions to help you realize your biggest blockages.

Complete the following:

- (1) What is your biggest fear/insecurity**
- (2) Do you feel you have negative energetic attachments?**
- (3) How can you clear and overcome your challenges?**

You can either (1) overcome your internal blockages yourself or (2) follow our structured clearing process.

4. IDENTIFY NEXT REQUIRED ACTIONS

Trust and let God (Source, spirit guides, universe, or whatever you call it) reveal your next required actions to live the most fulfilling and meaningful life.

Open up, become receptive and ideas will come to you.

NEXT ACTIONS TEST:

I'm going to conduct a test for you to identify your next required actions (big or small).

Complete the following:

(1) Write something you can do at least 5 minutes a day to discover your life purpose

(2) Write how you can start expressing your 3 quality traits more

(3) Write 3 goals - short term, medium and long term

By completing this, you're ready for step 5.

5. TAKE ACTION IMMEDIATELY

You must take action to achieve something.

This may mean sacrificing some things to grow and evolve - such as finances, netflix, being lazy, etc.

All it takes it the small steps to grow ...

The small things WILL transform into the big things.

ACTION TEST:

I'm going to ask you to complete 3 tasks to help you start acting upon your required actions.

Complete the following:

(1) Write how much free time you get away from work, school, responsibility, etc.

(2) What sacrifices are you willing to make?

(3) What can you do daily to begin discovering your life purpose?

(4) Write a time sheet

By completing this, you're already underway to discovering and living your life purpose.

Task #4 is important so you can see if you're procrastinating and can become more productive.

FURTHER NOTE:

I hope this article helped you to start discovering your life purpose.

I'm going to ask you one last question.

"How do you want to change the world?"

This is a simple, yet effective, question indicating your heart desire.

Once you recognize it, step taking action to do it ...

Because if it's truly what you desire, you don't need inspiration and motivation to perform it.

ALSO ...

If you haven't read the full article, I recommend you do as it offers more insight and coverage around discovering your life purpose.
